

Grove House Club Newsletter Autumn 2010

In an effort to answer some frequently asked questions and to keep you up to date with club events, the committee will now be sending out newsletters periodically; so whether you've not called in for a while or would just like a little more information on management plans, read on...

On the subject of communications, could any members who have not registered an email address with the club please do so if possible, as future newsletters will be sent via email, posted on the website and on the notice board.

First and most importantly, the committee has identified the need to close the Club during the daytime on Mondays, Tuesdays and Wednesdays because so few people were using the club at those times. Apologies if you were one of the few. Also, we have switched to Freeview as our Sky package was costly and some key features had been lost.

The money saved will go towards the Christmas Raffle (tickets are on sale now) and several other events and entertainment we have planned between now and the New Year.

Our website, www.grovehouseclub.co.uk is now kept up to date with forthcoming events. Also please keep in mind that the club is an ideal free venue for Christmas parties and special occasions.

The committee are trying hard to provide activities to entice folks through the door, so please do make the effort to attend, and bring a friend. The club needs your support as these coming months must be successful to provide funds for the club.

The notice board has been moved to a more prominent position just inside the foyer; feel free to use it and to check for snippets and updates.

In the long term we aim to raise funds for a hanging sign to advertise the club's whereabouts, to refurbish the kitchen and possibly the gents loo.

Next year is the club's centenary year, which we are thinking of celebrating with an open day of some description, perhaps with snacks and light entertainment. What do you think?

These forthcoming events are designed to encourage existing members to visit more regularly and introduce friends, and ultimately to attract new members.

Here We Go.....

October

Sat 2nd – Skittles Night

Sat 9th – Quiz Night
